

# Learning Zone

## Exciting news !

### **Our call for research write-ups is now open!**

Showcase your work and insights with our community.

**We are now accepting Learning Zone Project Write-Ups that align with this year's Summit theme or any scientific topic related to Food, Nutrition, and Health.**

Accepted write-ups will be displayed in the dedicated Learning Zone area at the Summit venue and will be part of a Research Project Write-Up Presentation and Competition. The Summit aims to create an engaging platform for both presenters and attendees. Authors of accepted submissions will be required to provide a concise summary of their work (150 words) and prepare an A3-sized poster presentation, which will be included in the competition.

**Important Note:** Registration for the Summit is mandatory for your write-up to be reviewed. If your submission is not accepted and you decide not to attend, a refund of your registration fee will be issued, minus a 25% administrative fee.

**Submit your project to Debashis at [d.chakraborty@nnedpro.org.uk](mailto:d.chakraborty@nnedpro.org.uk)**

### **Key Deadlines and Dates**

- Submission and registration deadline: 30th November 2024
- Notification of Acceptance: 7th December 2024
- Poster (A3 size) Submission Deadline: 17th December 2024
- Competition Winners Announcement: 20th December 2024
